

Last chance to book your place....

The Evacuation of Cubs and Scouts, from Didcot to Wallingford, begins on Saturday 29th May

Evacuees will travel by Steam Train from Cholsey to Wallingford, accompanied by Explorers and Leaders - before walking a short distance to the 'Evac Camp' site.

The cost of the weekend is £50 per young member – deposit of £10 payable now, the rest to follow later.

Full details of the Camp, including travel details, menus, activities and kit list will be published at the beginning of May but for now, we need to know numbers attending so we can make bookings on all the exciting activities as well as boring things like toilets!

During the weekend there will be lots to do – exploring a new town, making new friends, creating toys and games, taking part in sports, camp fires, concert parties as well as exchanging your ration card for goods, building shelters, listening for air raids and learning some really useful skills that link the war time effort with modern day recycling and sustainability.

Don't miss the train – make sure you get your name down now !

Name: **Cub / Scout / Explorer**—circle as appropriate

Group:.....

Home Contact (Address or email and phone) —permission and medical forms will be collected nearer the time

.....
.....

The person named above would like to be 'Evacuated' for the weekend at a cost of £50.

I agree to pay a £10 deposit now and the remainder by the 1st May. Cheques payable to your Group.
