

THE CAMP

We have booked a week long summer camp at the Tolmers Scout Camp and Activity Centre near Cuffley, Hertfordshire. This centre, run by Hertfordshire Scouts, organises a 2 week long summer camp for Scout and Guide troops from other counties to come along and enjoy. The camp, known as CTT, is run by trained and experienced members of the Tolmers team. The week long camp will include some fantastic activities such as abseiling, archery, quad bikes, sailing, swimming, canoeing, laser clays plus loads more. There is also an incident hike and evening entertainment along with a disco on the Friday night.

We are hoping to travel to the site using trains starting at Didcot Parkway. Cuffley train station is less than a mile from the camp site. We have organised the use of a van which we are hoping will take the majority of our kit, meaning our scouts will only travel with their day sacks on the train.

The camp is also been run in conjunction with 15th Didcot Scouts so we are hoping to share some of their equipment and knowledge of organising such a camp.
